

DEAR PARENTS,

Our church will be conducting LifeWay's Submerged™ for Vacation Bible School this year. This year's VBS is all about finding truth below the surface. We want your children to join us for the fun and excitement! We'll hear Bible stories, play games, and have delicious snacks. During VBS, kids will discover the truth that Jesus knows all about them and loves them unconditionally. Each day kids will explore what lies below the surface of the deep sea by creating crafts, playing fun games, enjoying tasty snacks, singing cool songs, and learning about missions.

Our church is eagerly waiting to welcome your children to this free event. Please call the telephone number below or visit our website for more details! Submerged offers something for everyone, so ask about our studies for students and adults.
